IGN's Fire Emblem: Three Houses complete strategy guide and walkthrough will lead you through both parts of the story for each of the paths for the house you choose to lead into battle. This guide will also cover all monastery quests and activities, as well as where to find special items and how best to spend your time before each mission. advertisementFire Emblem: Three Houses is divided up into several paths, and largely depend on the house you choose to teach early in the game. This guide will cover Part 1 by encompassing all the houses and possible strategies, whereas Part 2 will be divided up for each of the paths. Turn-based, Tactical Role-Playing Game Fire Emblem: Three Houses is a role-playing game that focuses on tactical turn-based gameplay, an iconic feature of games from the Fire Emblem series. New Game From Long-standing Fire Emblem Series Fire Emblem is a long-standing Japanese RPG series that has expanded through many of Nintendo's consoles. Fire Emblem: Three Houses is a new rendition of a nostalgic & must-loved genre of gaming. Play As Male Or Female Professor Byleth In Fire Emblem: Three Houses, players take on the role of a male or female Professor named Byleth. Awakening unique powers, you must choose one of three houses and mentor students at the Officer's Academy. Experience 5-Year Time-Skip Into Future One of the unique features of Fire Emblem: Three Houses is that you'll be propelled 5 years into the future, where you must choose a House to support from among one of your former students at the Academy.Fire Emblem: Three Houses Gameplay Features Build Relationships With Characters One of the most important aspects of Fire Emblem: Three Houses is the character's relationship building. As Byleth, you must mentor your students and build relationships with them to enrich your experience in the Officer's Academy. Activity-Filled Days In Officer's Academy As a professor in the Officer's Academy, you must fill your days with various activities. This includes class lectures, tutoring, assigning group tasks & quests and even mundane things like dining with different characters, having tea parties, and going fishing. Fight Foes In Tactical, Turn-Based Battle Part of the gameplay of Fire Emblem: Three Houses is the return of the modern tactical, turn-based RPG battle system. You'll control several characters in the battlefield, guiding their every move to ensure a victorious outcome. Choose Between Perma-Death Or Not The Fire Emblem series is known for their "perma-death" feature and it's not any different in Three Houses. However, in this game, you're given the option to choose between perma-death or being able to resurrect characters even if they fall in battle.Fire Emblem: Three Houses - Story Summary Official Game Trailer Story SummaryWar is coming to the continent of Fodlan. Here, order is maintained by the Church of Seiros, which hosts the prestigious Officer's Academy within its headquarters. You are invited to teach one of its three mighty houses, each comprised of students brimming with personality and represented by a royal from one of three territories. As their professor, you must lead your students in their academic lives and in turn-based, tactical RPG battles wrought with strategic, new twists to overcome. Which house, and which path, will you choose?From Fire Emblem: Three Houses Official Site!!!
